

## Compliance Hub redefines bank compliance support.

We cover compliance across functions, departments, and regulations from the Tellers to the Board of Directors.

*You also get access to 70+ new training videos a year – all part of your membership.*  
Raising your staff's knowledge and tracking their performance is the game now.  
That's what regulators want to see.

### Features of Compliance Alliance Membership

- Annual membership covers everyone
- Unlimited document reviews
- Designed for every process of a bank, every department and function
- Webinars have downloadable desk manuals and presentations
- Hotline available chat, email & phone
- Includes one annual website review
- 1800+ tools ready to download & edit
- Monthly magazine & weekly podcast
- Monthly call-in discussion with experts
- Open access to all our online tools

### – C/A Testimonial –

*"Your chat hotline rescues us time and time again.*

*The ability to chat in - and then, once we've poked around the problem a bit more - to chat in again and gain a better understanding - is simply immeasurable for our team."*
